

HEALTH AND SAFETY POLICY STATEMENT

PENGURUSAN AIR SELANGOR SDN BHD (Air Selangor) is committed in ensuring the safety, health and welfare of all employees, contractors, consumers, visitors, members of the public and related parties. This policy is formulated in accordance with the legal requirements in Malaysia.

To execute the policy successfully, we intend to:

- Recognize health and safety objectives as an integral part of the organization's business performance.
- Formulate and implement policies and procedures that comply with all applicable health and safety laws and other related requirements.
- Continually implement, improve, and update the Occupational Safety and Health Management System.
- Provide a platform for staff participation and involvement in health and safety practices.
- Monitor related activities and perform regular surveillance with a view to prevent untoward incident, injury, and illness at workplace.
- Investigate any incident and use all relevant information to prevent similar reoccurrence.
- Maintain a safe and conducive working environment.
- Periodically review and improve the health and safety policy, objectives, and targets while ensuring they are understood by all employees and made available to all interested parties.

While the management of Air Selangor shall be responsible for the achievement of the above policy, all employees, contractors, consumers, visitors, and other related parties are expected to cooperate with the Health and Safety personnel. It is of utmost importance that all employees apply the best practices in performing their work with minimum risk to themselves and others.
